

New for 2010!

THE MITEY RIDER STIRRUP PROGRAM

Mitey Riders is offering a new Stirrup Program!

The Mitey Rider Stirrup Program will:

- Create a more efficient process for our daily lessons
- Result in more saddle time for the riders
- Alleviate the need to adjust stirrups after a rider mounts
- Allow for an immediate transition into the lesson content
- Decrease the number of people crowding the horses and mounting ramps
- Raise the bar on our safety standards
- Give riders a sense of ownership for their own riding gear

The farm will coordinate the purchase, labeling and storage of these leathers/irons for each rider and they will be put on the rider's tack for each lesson.

Personalized Stirrup and Helmet Fitting Clinic Saturday, Sept 11 from 11am-2pm

Come by Misty Meadows Farm anytime between 10am and 2pm on Saturday, September 11 for a personalized session to measure your rider for stirrups and irons. Also at this time we will check the "health" and fit of your rider's helmet. Helmets should be replaced every few years.
