

Hello, and thank you for your interest in Mitey Riders!

Within the contents of this packet, you will find all the necessary forms that need to be completed to become a volunteer in the Mitey Rider program. Please make sure all forms are COMPLETE before you send in your application, otherwise the process will take longer.

Once we receive your application, we will confirm with you that all forms are complete. At this time we will schedule you for our next available Volunteer Safety Orientation. All of our volunteers – new and returning – are required to attend a Volunteer Safety Orientation each year. This helps us keep our program's safety standards high, and allows us the opportunity to update you each year on new policies, procedures, students, horses and more.

Our riding season begins in September and ends in May of each year. For this reason, most of our Volunteer Safety Orientations are held in August and September. By attending one of these late-summer sessions, you can guarantee yourself a regular volunteer position in our classes. Once classes are underway, we may not be able to guarantee that you will be placed on a team with a specific child or horse. However, we have many other jobs and positions for volunteers who start with us throughout the riding season.

Please review the checklist below before submitting your application. This will ensure your application is complete and ready for review.

- Volunteers must be available a minimum of 1 hour per week (same day and time each week).
- ALL volunteers are required attending a Volunteer Orientation and Training session.
- ALL volunteers wanting to be leaders or work in the barn must attend Leader/Barn Training once a year.

- Arrive at least fifteen minutes prior to class
- When you're in the arena, the instructor is in charge
- If you have suggestions or ideas, talk with the class Instructor or Volunteer Coordinator

**Misty Meadows Mitey Riders reserves the right to amend these guidelines at any time.*

PART TWO > VOLUNTEER APPLICATION > **Volunteer Jobs & Descriptions**

Below you find a list of our Volunteer Jobs & Descriptions. Please keep these pages for your records at home. You can also find this information, and much more, on our web site at www.miteyriders.org.

LESSON VOLUNTEERS

These are the volunteers who work directly with the riders and the horses in class. One can choose to be a Horse Leader, a Sidewalker or both. Training is provided for all lesson volunteers. See the Volunteer Guidelines to make sure you can apply.

LEADERS

Leaders are responsible for the horse – before, during and after class. To become a Leader, interested volunteers **MUST** attend Leader training, be at least 16 years old, and have 2+ years of horse experience. We ask all volunteers interested in becoming a leader to work as a sidewalker for one full season first.

SIDEWALKERS

Sidewalkers are responsible for the rider. This volunteer is responsible for helping the rider understand lesson instruction and assisting the rider with lesson activity. Sidewalkers must be at least 15 years old.

BARN TEAM

For those volunteers who want to really get “up close and personal” with the horses this is the perfect job. These volunteers provide special horse and stall care for their assigned horse each week. To become part of the Barn Team, volunteers **MUST** attend the Barn Orientation and have some prior horse experience.

BARN SUPPORT

Barn Support volunteers assist in the barn, but are not directly responsible for horses. This is the perfect place to work if you do not have prior horse experience but would like to learn more.

FACILITY MANAGEMENT

From painting, to irrigating, to building fences, to cleaning and everything in between – we have endless volunteer opportunities for “handy” individuals or groups that want to work together on a project. These volunteers are essential to Mitey Riders!

OFFICE VOLUNTEERS

These very important volunteers help with an array of tasks – including bulk mailings, photo copying, filing, word processing, computer/systems support and answering the phones. It is a wonderful volunteer opportunity for people who may not be keen about being around horses, or may need to limit their physical activity but still really want to lend a hand.

FUNDRAISING AND SPECIAL EVENTS

We always need volunteers who are willing to help plan and implement fundraising and other special events. These are fun and rewarding opportunities to be creative and really bring a project to fruition. Such events make an impact in drawing the community's attention and support to the Mitey Riders.

SPECIAL SKILLS

If you possess skills or professional/technical experience that may benefit Mitey Riders, such as photography, grant writing, computer knowledge, photography, etc., we encourage you to contact us.
